

Damn Right, I've Got the Blues

Buddy Guy

Advisory - the following lyrics contain explicit language:

You're damn right, I've got the blues
From my head down to my shoes
You're damn right, I've got the blues
From my head down to my shoes
I can't win 'cause I don't have a thing to lose I stopped by my daughter's house
You know I just want to use the phone
I stopped by my daughter's house
You know I just to want to use the phone
You know my new grand baby came to the door
And said, Granddaddy you know ain't no one at home
I said, "Now, look out" You're damn right, I've got the blues
From my head down, down to my shoes
You damn right, I've got the blues
From my head down, down to my shoes
You know I can't win, no people, 'cause I don't have a thing to lose You damn right, I got the blues
You damn right, I got the blues
You damn right, I got the blues
You damn right, I got the blues, yeah
