Gentle Groove

Mother Love Bone

Like my world I'm on fire
I am full of desire, yeah
No more preaching on your part
No more love on my pillow, yeahCome dance with me in my room
You can hold me hands, yeah yeah
I'm gonna be your boyfriend
And you can call me names, oh oh yeahAnd nothing's gonna change the way I feel for my love
And no one's gonna slow my gentle groove
Till kingdom come, thy work is done on earth as it is in DallasCome play with me in my room
You can hold me hands
I'm gonna be your boyfriend, boyfriend
You can call me names, a names
