

Yr Mangled Heart

Gossip

If everything you do has got a hold on me
The everything I do has got a hole in it
I've been here before
I should be used to it

But I can't take it no more
I can't take it no more

Oh whoa, Oh whoa
Whoa whoa

If anything I do has got a hole in it
Then everything you do has got a hold on me
I've been here before, I should be used to it
But I can't take it no more, I can't take it no more

Oh whoa, Ooh whoaaaa

Your mangled heart
Your battered love that's hanging on to memories
Your letting go of everything that used to be
I've had enough, you'll build me up to let me down
Ooooh, Your mangled heart

Your battered love that's hanging on to memories
Your letting go of everything that used to be
I've had enough, you build me up to let me down, yeah

I don't want the world, I don't want the world
I only want what I deserve
I don't want the world, the world
I only want what I deserve
I don't want the world, the world
I only want what I deserve

Ooh, Your mangled heart
Your battered love that's hanging on to memories
Your letting go of everything that used to be

I've had enough, You'll build me up to let me down

Your mangled heart
Your battered love that's hanging on to memories
Your letting go of everything that used to be
I've had enough, You'll build me up to let me down

If everything you do has got a hold on me
The everything I do has got a hole in it
I've been here before
I should be used to it

But I can't take it no more
I can't take it no more

Oh whoa, Oh whoa
Whoa whoa

If anything I do has got a hole in it
Then everything you do has got a hold on me
I've been here before, I should be used to it
But I can't take it no more, I can't take it no more

Your mangled heart
Your battered love that's hanging on to memories
Your letting go of everything that used to be
I've had enough, you'll build me up to let me down
