

One More Night (Club Mix)

Cascada

You
Are all I can remember
After all that we've been through
Forever in my heart Now I'm through
And June feels like November
So can't believe its true
Too long we've been apart One more night I wanna be with you
Where I wanna hold you tight
It feels so right
Tonight
So leave it up to you
And I think the time is right
To stop the fight One more night I wanna be with you
Where I wanna hold you tight
It feels so right
Tonight
So leave it up to you
And I think the time is right
To stop the fight Stop the fight Stop the fight Why can't true love be forever
Why did my dream explode
The day you went away
Cause I will keep the spare together
I wish you well of hope
A girl from yesterday One more night I wanna be with you
Where I wanna hold you tight
It feels so right
Tonight
So leave it up to you
And I think the time is right
To stop the fight One more night I wanna be with you
Where I wanna hold you tight
It feels so right
Tonight
So leave it up to you
And I think the time is right
To stop the fight
