I'm In the Mood

CeCe Peniston

Let's start tonight out right
You and I bathed in candlelight
Tasting the wine on your lips
Touching your body tenderly with my fingertipsI feel a sweet sensation rushing through my body
Needs no explaining, it's for your lovin'
Just dim the lights and ask me what I want, oh baby
So I can say exactly how I feelI'm in the mood
Feels so, so good to me
Take me away
Makes me feel oh so right
I'm in the mood
Feels so, so good to me
Feels so good to me
Makes me feel oh so rightLet's not spoil the moment, boy
Unplug the phone so we can be alone
There is something about your kiss
That makes me feel like nothing else existsLet's get into the moment, we won't regret it
There's so much passion between us, we can't control it
This is a night that we soon won't forget, oh baby
I've never more ready for your loveI'm in the mood
Feels so, so good to me
Take me away
Makes me feel oh so right
I'm in the mood
Feels so, so good to me
Feels so good to me
Makes me feel oh so rightI'm in the mood
Feels so, so good to me
Take me away
Makes me feel oh so right
I'm in the mood
Feels so, so good to me
Feels so good to me
Makes me feel oh so rightOh boy, I want you forever
Oh boy, I need you tonight
Oh boy, I want you forever
Tell me why you make me feel so good?
I'm in the mood
In the mood

You just show me loveMood, yeahHey a candlelight dinner for two
Tasting the wine on your lips
Touching your body tenderly
Mama mama mama mama mama mama
Mama mama mama mama mama fingertips
Oh till then, will I knock him with my sweet thingIn the, in the, in the, in the
In the mood
In the moodBaby feel so good
Take me away
Touching your body so tenderly baby
