If You Ever

East 17

The very first time that I saw your brown eyes, your lips said "Hello" and I said "Hi". I knew right there you were the one. But I was caught up in physical attraction but to my satisfaction, baby, you were more than just a friend.And if you ever (ever fall), fall in love again (again) now, baby you must make sure (you) that the lady is a friend. And if you ever (ever fall) fall in love so true (true) now baby, you must be sure (you) that she feels the same way too.If I said that I would be your one and only, promise that you'd never leave me lonly. I just want to be the one you need. I just want to be the one who serve you, sometimes I feel as if I don't deserve you. I cherish every moment that we shared.And if you ever (ever fall), fall in love again
(again) now, baby you must make sure (you) that the lady is a friend. And if you ever (ever fall), fall in love so true (true) now baby, you must be sure (you) that she feels the same way too.The very first time that I saw your brown eyes, your lips said "Hello" and I said "Hi". I knew right there you were the one. But I was caught up in physical attraction, but to my satisfation, baby you were more than just a friend.And if you ever (ever fall), fall in love again
(again) now, baby you must make sure that the lady is a friend. And if you ever (ever fall), fall in love so true (true) now baby you must be sure (you) that she feels the same way too.
(Refrain 3x)
