Last Time Forever

Squeeze

Did you ever read the words
That said love would end I read them tonight
Mistakes I can't defend
I didn't stop to think
And I upset her
I've said good night tonight the last time forever
I've said good night tonight the last timeI think of her tonight
She keeps me from my sleep but what can I do
With all of these memories
I used to be so shy
And hide my temper
I've said good night tonight the last time forever
I've said good night tonight the last time foreverIt all went wrong when I grew jealous
I didn't realize my strength
Could take the life of one so precious
Together we were known as good friendsDid you ever read the words
That say I love you I read them tonight
But what good can they do
I regret what I have done
It wasn't clever
I've said good night tonight the last time forever
I've said good night tonight the last time forever
I've said good night tonight the last time
