Frosty The Snowman

Brenda Lee

Frosty the snowman
Was a jolly, happy soul
With the corn cup hat and button nose
And two eyes made out of coal
Frosty the snowman
Is a fairy tale they say
He was made of snow but the children know
How he came to life one day
There must have been some magic
In that old silk hat they found
For when they placed it on his head
He began to dance all around
Oh, frosty the snowman
Was as alive as he could be
And the children say, he could laugh and play
Just the same as you and me
Frosty the snowman
Knew the sun was hot that day
So he said, "Let's run and have some fun

Before I melt away"
Down to the village
With the broom-stick in his hand
Running here and there all around that square
Saying, "Catch me if you can"
He led them down the street of town
Right to the traffic cop
And he only paused a moment when
He heard him howler, "Stop"
For Frosty the snowman
Had to hurry on his way
But he waved goodbye, saying, "Please don't cry
I'll be back again someday"
Thumpdy, thump, thump, thumpdy, thump, thump
Look at Frosty go
Thumpdy, thump, thump, thumpdy, thump, thump
Over the hills of snow
