

# This Land Is Your Land

[Arlo Guthrie](#)

words and music by Woody GuthrieChorus:

This land is your land, this land is my land

From California, to the New York Island

From the redwood forest, to the gulf stream waters

This land was made for you and meAs I was walking a ribbon of highway

I saw above me an endless skyway

I saw below me a golden valley

This land was made for you and meChorusI've roamed and rambled and I've followed my footsteps

To the sparkling sands of her diamond deserts

And all around me a voice was sounding

This land was made for you and meChorusThe sun comes shining as I was strolling

The wheat fields waving and the dust clouds rolling

The fog was lifting a voice come chanting

This land was made for you and meChorusAs I was walkin' - I saw a sign there

And that sign said - no tress passin'

But on the other side .... it didn't say nothin!

Now that side was made for you and me!ChorusIn the squares of the city - In the shadow of the steeple

Near the relief office - I see my people

And some are grumblin' and some are wonderin'

If this land's still made for you and me.Chorus (2x)
