My credit card is
black it has no limitation.
My song is crack, infinite orbit.
Turn things around completely.
I?m a source of good sense
for someone always drivel on.
I?m a rugged guy,
not nervous in front of snubs.
Without prejudice, everybody, crayon.
Without discrimination whether you
are a winner or a loser, crayon.
One, two, three, four.
Back and forth, spin around.
Calmly, slow it down.
Run faster if you get bored.
Clap your hands,
Seoul, Daejun, Daegoo, Busan.
Sing and dance together happily.
Ling-ga, ling-ga
switch your partners.
Head, shoulders, knees, feet.
Shake your body. Rock
