Passenger

Love Arcade

I wonder how it woyuld be to have your arms around me
to have your lips like that whine to have your hands gently carressing mine

all night in my bed she is in my head, i cant stop her im just a passenger

as days go by i see that you were meant for me
it adds up easily so lets just let it be
the world will fade i dont care as long as you are there
we'll make the perfect pair we'll be like sonny and cher

all night in my bed she is in my head, i cant stop her im just a passenger

just ask me for the sky, i'll give you everything
time will pass us by, i'll give you everything

all night in my bed she is in my head, i cant stop her im just a passenger
