Guttersnipe

Container 90

GEORGE AND MARILYN
We know we're special
It won't be long
Before the universe catches onGEORGE
You've got the figureMARILYN
You've got the voiceBOTH
Face it sister we're spoilt for choice
I can see the stars from the gutter
And if it all goes wrong
We've got each other
Don't despair fame is due
I can see a legend in youMARILYN
Yeah me too
We know we're giftedGEORGE
Yeah gift of the gabBOTH
Send me a limo not a taxicabGEORGE
Lunch at L'EscargotMARILYN
Tea at the RitzGEORGE
You're so "Qu'est Que C'est"MARILYN
More like "what is it?"BOTH
I can see the stars from the gutter
And if it all goes wrong
We've got each other
Don't despair fame is due
I can see a legend in youGEORGE
Yeah me tooMARILYN
I want my name in lightsGEORGE
I want my own skyscraperMARILYN
I wanna be a billionaireGEORGE
And not just on paperMARILYN
I want a cinemaGEORGE
I want a chauffeured carBOTH
I want to see the worldMARILYN
Meet Diana RossGEORGE
Bowie, BuddhaMARILYN
Eddie KiddGEORGE
I'll settle for a builderBOTH
I can see the stars from the gutter
And if it all goes wrong

We've got each other
Don't despair fame is due
I can see a future in you
I can see a future in you
