

# Shoreline

## Broder Daniel

Ever since I was eight or nine.  
I've been standing on the shoreline  
All my life I've been waiting for something lasting  
Oh this town kills you when you are young  
Oh this town it kills you when you are young.  
I'm not the boy that I used to be  
This town has got the youth of me  
All the eyes turn hollow  
From the work of sorrow  
You die young  
You die when you're young  
You die when you're young  
We are shadows  
Oh, we're shadows  
Just shadows in the alley  
Standing on the paving  
By the office building  
There's so much to do  
Never time for you  
You die young  
You die when you're young  
You die when you're young  
We are shadows  
Oh, we're shadows  
Just shadows in the alley  
I've got nothing  
Nothing to wait for  
Nothing to wait for  
Ooh  
Where is life in this town?  
Where is life in this town?
