Advisory - the following lyrics contain explicit language:

Went to sleep real, woke up reala
Goon affiliated ex-drug dealer
Resume solid street cred bigga
Clique full of souljas, all us killasNever seen what Im, what they called a real nigga
Pocket full of cash, body full of liquor
Put my whips on it bet he aint trilla
If I dont know ya, homie, hand on pistolYou lookin at tha man
Stacks n rubabands, yea
Action fo da camras
You can ask tha fansCause they say Im da man
Watch me pull mah pants up
Watch me do mah dance, yup
Stacks n rubabands, yeaYou lookin at tha man
Whip on 22's
Towin when I move
Askin what it doYou lookin at da man
Watch me pull mah pants up
Watch me do mah dance, yup
Stacks n rubabands, yupKey to the city name, carry weight
I dont fuck with niggas most of em fake
You went behind the ears, jumped off the post late
Where Im from homie I dont let the goons acheCame up slow all off a shake
Grandma dyin hard to be straight
Just left court, my dog lost his case
They gave him life, homie, off of them 28'sYou lookin at tha man
Stacks n rubabands, yea
Action fo da camras
You can ask tha fansCause they say Im da man
Watch me pull mah pants up
Watch me do mah dance, yup
Stacks n rubabands, yeaYou lookin at tha man
Whip on 22's

Towin when I move
Askin what it do You lookin at da man
Watch me pull mah pants up
Watch me do mah dance, yup
Stacks n rubabands, yup Product of the hood came from the gutta
Been through it all still remain a hustla
Ride or die homie, before I fucking struggle
Chopper game serious, got it from my brotha Learned the hard way, streets dont love ya
Snitchin at a high dope game in trouble
Whip game shaky then you gon suffa
Im da man homie, can't deny it, sucka You lookin at tha man
Stacks n rubabands, yea
Action fo da camras
You can ask tha fans Cause they say Im da man
Watch me pull mah pants up
Watch me do mah dance, yup
Stacks n rubabands, yea You lookin at tha man
Whip on 22's
Towin when I move
Askin what it do You lookin at da man
Watch me pull mah pants up
Watch me do mah dance, yup
Stacks n rubabands, yup
