Hardcore 84

Nofx

Now my chainsaw close to head
Change your points; you're left for dead
This isn't hectic fight for fun this is Hardcore 81
Neighbourhood watch, backyard brawl
Riot at Montanan hall, fighting ruins, this is sad but true
This is hardcore 82
RIOT! RIOT!
Maybe your home's barred and blitzed
Go bust some heads or throw some fists you
You want some police brutality go to Hardcore 83

Hollywood, rap patrol get free rooms at Wilcox hotel
Question, what are we fighting for?
It's just Hardcore 84
Tragedy, a catastrophe
The nemesis of a wasted night
Rationale of an atom bomb
Consequence of a murder plot
RIOT! RIOT!
