Na, na, na, na, na  
Na, na, na, na, na  
Na, na, na, na, na  
Na, na, na, na, na, na  
Marques Houston  
Mattress music  
Ooo, take one  
Here we are, you and me, all alone in this room  
Doing things that only grown folks do  
I'm grabbing you, you grabbing me  
Your body's here, I can't believe it, either one us can even breathe  
Now I am like a rocket, going into orbit  
And girl, you are the cockpit  
So come let me explore it  
Should we count down?  
Down, down, down, 5, 4, 3, 2, 1  
Explosion, explosion, explosion  
Explosion, explosion, explosion  
When are body's get to touchin'  
Don't hold back  
I love it when we're making contact  
Explosion, explosion, explosion  
Here we are, you and me, all alone in this room  
Doing things that only grown folks do  
I'll lick, lick, lick, lick, lick, lick, lick, lick, lick  
Until I cover every inch of you  
Now I am like a rocket going into orbit  
And girl, you are the cockpit  
So come, let me explore it  
Should we count down?  
Down, down, down, 5, 4, 3, 2, 1  
Explosion, explosion, explosion  
Explosion, explosion, explosion  
When are body's get to touchin'  
Don't hold back  
I love it when we're making contact  
Explosion, explosion, explosion  
Feels like big bumps going all around ya  
And everything's falling down around ya

Oh, baby, but we can't be fakes, see the look on your face  
And it's telling me that you love it  
Telling me that you need it, oh girl, here it comes again  
Explosion, explosion, explosion  
Explosion, explosion, explosion  
When are body's get to touchin'  
Don't hold back  
I love it when we're making contact  
Explosion, explosion, explosion  
Feels like big bumps going all around ya
