

# I Don't Mind

## Falling In Reverse

My biggest fear is coming true  
Mother I'm becoming you  
One day the truth  
Is gonna hang me like a noose  
But I don't mind  
I don't mind Mama you are an addict and you passed it down to me  
But who am I to cast a stone with a daughter I never see?  
And honestly this honesty is getting way too hard to sing  
I'd trade it all, I would give it back to be a decent human being I don't mind  
What's the use?  
It doesn't matter  
If I win or lose  
If I don't belong here  
Then neither do you  
It doesn't matter  
If I make it through  
I don't mind So drag me through the mud again and crucify my name  
Laugh at me right through your screen, how I should be ashamed?  
Take out all your pain on me like I'm the one to blame I don't mind  
What's the use?  
It doesn't matter  
If I win or lose  
If I don't belong here  
Then neither do you  
It doesn't matter  
If I make it through  
I don't mind You don't belong there  
But I don't mind  
You don't belong there  
But I don't mind  
You don't belong here  
But I don't mind  
You don't belong here  
But I don't mind I don't mind  
What's the use?  
It doesn't matter  
If I win or lose  
If I don't belong here  
Then neither do you

It doesn't matter  
If I make it through  
I don't mind My biggest fear is coming true  
Mother I've become you
