

Loneliness in Ruby's Eyes

[David Allan Coe](#)

They say she came all the way from Dallas
But I see more than Texas in the hard times on her face
And every song she sings brings back a hundred thousand memories
Of another girl, another time, another place
She does not have the body of the woman I once loved
But she's still the girl that I once idolized
And I swear I see a little bit of every girl I've known
In the loneliness of Ruby's eyes, in the loneliness of Ruby's eyes
Kinfolks say she's had a lot of lovers
But love don't leave a woman filled with shame
And I've heard tell she had a child in Dallas
And all the men in Houston know her name
She does not have the body of the woman I once loved
But she's still the girl that I once idolized
And I swear I see a little bit of every girl I've known
In the loneliness of Ruby's eyes, in the loneliness of Ruby's eyes
