Head Up

Wayne

If I shine, and no one's there to see,
Was it all in the mind, of the one who made me?
If I fall, do the same hands reach out?
If I cry, would you come?
Without a doubt, to say
Head up,
Let me draw the lines,
And point out the fools,
And give a little more time,All I have, is all I need,
Sounds good, until I'm on my knees.
Would you pick me up, and put me back in place,
With a feeling inside born from an honest look on my face
And say,Head up,
Let me draw the lines,
And point out the fools,
And give a little more time.Head up,
Let me heal this wound
And mend a heart,
That broke a little too soon.
