

# Anna Marie

## Whiskey Myers

I got a girl named Anna Marie  
She chews levi garrett by a sycamore tree  
And the way she acts don't nobody know  
But I sure do love it  
When she crinkles her nose Woo hoo (hey) Anna Marie  
Woo hoo (hey) that's Anna Marie  
Woo hoo (hey) Anna Marie She shows up to church about a quarter till 2  
With bible in her hand and a flask in her shoe  
Says she come from the great unknown  
Twisted twelve ways from Sunday  
When she gets stoned Woo hoo (hey) Anna Marie  
Woo hoo (hey) that's Anna Marie  
Woo hoo (hey) Anna Marie A penny for a nickel and nickel for a dime  
A dime for quarter it makes her feel fine  
It takes an apple a day to keep the doctor away  
It takes a whole lot less to make my baby stay Woo hoo (hey) Anna Marie  
Woo hoo (hey) That's Anna Marie  
Woo hoo (hey) Anna Marie I got a girl named Anna Marie  
She chews levi garrett by a sycamore tree  
I got a girl named Anna Marie  
And baby so damn sweet to me  
I got a girl named Anna Marie  
And my baby so sweet to me  
I got a girl named Anna Marie  
I got a girl named Anna Marie Woo hoo (hey) Anna Marie  
You know I love her  
Anna Marie, you dirty dirty girl
