Hell Will Follow

Enforcer

Come queen of harvest
Come reap the storm
Burn earthly matter
No light in this dawnCircle the weak
Spread the disease
Hail to the few who are one with the beastAnd hell will followNemesis of light
Swallow the earth
Drown them in blood
Show them the thirst of the gods
Circle the weak
Spread the disease
Hail to the few who are one
One with the beastAnd hell will follow
And hell will followCome queen of harvest
Come reap the storm
Burn earthly matter
No light in this dawn
Circle the weak
Spread the disease
Hail to the few who are one,One with the beast
