

Have A Nice Day

Les Mills International

I heard it from the gangster I heard it from the priest
I heard it from my best friend way down in the Middle East
 Have a nice day, that's all I hear every day
 Have a nice day, I don't believe a word you say
 I heard from the landlord when he kicked me out
 I heard it from the spirits as they possessed my house
 Have a nice day, that's all I hear every day
 Have a nice day, I don't believe a word you say
 When they look me in the eye I turn the other way
 It's just a trained reaction something they gotta say, yeah
 I heard it from New Zealand I heard it at the club
 I heard it from my doctor before he pulled the plug
 Have a nice day, that's all I hear every day
 Have a nice day, I don't believe a word you say
 Have a nice day, that's all I hear every day
 Have a nice day, I don't believe a word you say
