Advisory - the following lyrics contain explicit language:

Drop yo' draws and open yo' legs up wide, bitch  
Drop yo' draws and open yo' legs up wide  
Drop yo' draws and open yo' legs up wide, bitch  
Drop, drop yo' draws I've been wanting to tell you this for a while  
I like your fake blue eyes and your hoe style  
So let's go for a walk through the park  
You can suck my dick in the dark And just do what I ask, bitch, bend over  
Let me ride your backside like dogs do each other  
I know that you're with it, so don't start frontin'  
I don't wanna be your man, I wanna move somethin' You might as well give up the pussy  
Oh no  
You might as well give up the pussy  
Oh no Listen up, baby, you look real pretty  
Let me pull up your shirt and suck your titties  
Yes, pretty lady, I love you so  
Since the time we met, my dick has grown You had other men, now it's my chance  
Give me some time to take off my pants  
The time has come, don't be frontin'  
Just drop them draws, and let's move somethin' Now what the hell do you want?  
I want to fuck  
Now what the hell do you want?  
I want to fuck Now what the hell do you want?  
I want to fuck  
Now what the hell do you want?  
I want to fuck Let's rent a room at a fuck-motel  
Then play this game called, "Ring the Sleigh Bells"  
Put the, 'Do Not Disturb' sign on the door  
And ride this dick 'til it gets sore Then open your legs, put 'em in the buck  
'Cause that's the way I like to fuck  
It's real simple, it's not really nothin'  
All you have to do is move somethin' Now let's find a motel  
Now let's find a motel

Now let's find a motel  
So I can see how you fuckHaa, Big Daddy, please  
Don't rush me, bitch  
Haa, Big Daddy, please  
Don't rush me, bitchMove your body to the beat  
Move your body to the beat  
Move your body to the beat  
Move your body to the beatHaa, work on my ass, baby  
Haa, work on my ass, baby  
Haa, work on my ass, baby  
Haa, work on my ass, babyLook, baby doll, don't lie or front  
You know what I need and I know what you want  
Let's go to the beach, we'll lay in the sand  
And I'll prove to you that I'm a real manAnd the way it felt, it was real tight  
It chilled my body and the feeling was right  
It's all for love, it's you I've been wantin'  
Just roll those hips and let's move somethin'
