

# That's My Impression

## Pet Shop Boys

I went looking for someone I couldn't find  
Staring at faces by the serpentine  
Walking slowly I realized  
You'd been and gone, I know you lied That's my impression  
That's my impression  
That's my impression  
That's my impression The wind was chilly and the sky was dull  
I went for shelter to the temple  
Once inside I couldn't believe my eyes  
You'd been and gone, I know you lied That's my impression  
That's my impression  
That's my impression  
That's my impression Go to a club, you think I'll be there  
I don't go 'cause I'm not a member  
You said you went to apologize  
It's plain to me that's one more lie That's my impression  
That's my impression  
That's my impression  
(Impression)  
That's my impression I went looking for someone I couldn't find  
Staring at faces by the serpentine  
Walking slowly I realized  
You'd been and gone, I know you lied That's my impression  
That's my impression  
That's my impression  
That's my impression It's an expression  
And a suggestion  
I learned my lesson That's my impression  
That's my impression  
(Impression)  
That's my impression  
That's my impression  
(Impression)  
I learned my lesson I went looking for someone I couldn't find  
Staring at faces by the serpentine  
Walking slowly I realized  
You'd been and gone, I know You lied  
That's my impression  
I know you lied

And that's my impression  
That's my impression  
My impression  
That's my impression
