

# Stay (I Missed You)

[Lisa Loeb, Nine Stories](#)

You say I only hear what I want to  
And you say I talk so all the time-so  
And I thought what I felt was simple  
And I thought that I don't belong  
And now that I am leaving  
Now I know that I did something wrong cause I missed you  
Yeah, I missed you  
And you say I only hear what I want to  
I don't listen hard  
I don't pay attention to the distance that you're running or to  
Anyone, anywhere  
I don't understand if you really care  
I'm only hearing negative, no no no - bad  
So I turned the radio on I turned the radio up  
And this woman was singing my song  
The lover's in love and the other's run away  
The lover is crying cause the other won't stay  
And some of us hover when we weep for the other who  
was dying  
Since the day they were born well  
Well this is not that  
I think that I'm throwing but I'm thrown  
And I thought I'd live forever but now I'm not so sure  
You try to tell me that I'm clever but that won't take me anyhow  
Or anywhere with you  
And you said that I was naive  
And I thought that I was strong  
I thought "hey I can leave, I can leave"  
But now I know that I was wrong cause I missed you  
Yeah I missed you  
You said "you caught me cause you want me  
And one day I'll let you go"  
You try to give away a keeper or keep me cause you're know  
you're  
just too scared to lose  
And you say, "stay"  
You say I only hear what I want to.
