

Arm and Hammer

Clap Your Hands Say Yeah

Amanda said you have to go
Amanda said it's time to go
She said I'm tired of being homeless, restless.

I confess

I am wrong Listen, we are

Listen, we are

Listen, we are

We're

All

Talk

Talk Mission we're on

Mission we're on

Mission we're on

Big

Dumb

Cock

Cock Heaven be good

Heaven be good

Heaven be good

Hell

Stand

Up

Up Mission we're on

Mission we're on

Mission we're on

Big

Dumb

Cock
