

# Bye-Bye

## Ramallah

We can't even be friends 'cause every time I see you  
We be doing things that we should not be doing 'cause boy  
You got a girlfriend, girlfriend, even though the sex is so damn good  
I feel so bad, gotta try my best to resist it  
What am I doing here? That's what I ask myself  
'Cause every time I see my face in the mirror  
I see me and you and someone else  
Now, your love, it gets me high and I don't wanna  
Let you go but I got to say bye-bye, baby  
Now, your love it gets me high and I don't wanna  
Let you go but I got to say bye-bye, bye baby  
We can't even hang out 'cause boy, the more we kick it  
The more I feel like this is not what it's all about  
Boy, you're already taken, taken and although I love you  
I hate the fact that she is with you while I play the kickstand  
What am I doing here? That's what I ask myself  
'Cause every time I see my face in the mirror  
I see me and you and someone else  
Now, your love, it gets me high and I don't wanna  
Let you go but I got to say bye-bye, baby  
Now, your love it gets me high and I don't wanna  
Let you go but I got to say bye-bye, bye baby  
Just being one of your girls won't do, it won't do 'cause eventually  
Eventually, I'ma want all of you, I'ma want all of you, I just gotta be  
Real with myself, I got to be real, gotta cut it off, oh boy  
Though it's hard for me to break up with you  
Now, your love, it gets me high and I don't wanna  
Let you go but I got to say bye-bye, baby  
Now, your love it gets me high and I don't wanna  
Let you go but I got to say bye-bye, bye baby  
Now, your love, it gets me high and I don't wanna  
Let you go but I got to say bye-bye, baby  
Now, your love it gets me high and I don't wanna  
Let you go but I got to say bye-bye, bye baby  
Now, your love, it gets me high and I don't wanna  
Let you go but I got to say bye-bye, baby  
Now, your love it gets me high and I don't wanna  
Let you go but I got to say bye-bye, bye baby
