

# Ready For The Floor (Soundtrack Version)

## Lissy Trullie

Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it now Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it now Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it now Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it say it now Instead of carving up the wall  
Why don't you open up we'll talk  
I am ready I am ready for a fall Instead of carving up the wall  
Why don't you open up we'll talk  
We are ready we are ready for the floor I can't hear your voice do I have a choice?  
I'm hoping perchance you might take this dance  
I can't hear your voice do I have a choice?  
You're sinking below I'm using my force  
You're my number one guy Instead of carving up the wall  
Why don't you open up we'll talk  
I am ready I am ready for a fall Instead of carving up the wall  
Why don't you open up we'll talk  
We are ready we are ready for the floor I can't hear your voice do I have a choice?  
I'm hoping perchance you might take this dance  
I can't hear your voice do I have a choice?  
You're sinking below I'm using my force  
You're my number one guy Instead of carving up the wall  
Why don't you open up we'll talk  
I am ready I am ready for a fall Instead of carving up the wall  
Why don't you open up we'll talk  
We are ready we are ready for the floor Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it say it now Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it say it now Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it say it now Do it do it do it do it do it do it do it do it now  
Say it say it say it say it say it say it say it say it now Instead of carving up the wall  
Why don't you open up we'll talk  
We are ready we are ready for the floor
