Hard to See

Five Finger Death Punch

I'm growing so distant
Nothing makes sense to me anymore
I'm learning to resist
Becoming more than you ever wereCan't explain what's come over me, come over me
Can't explain why it's so hard for me, so hard to see your sideProjecting all my anger
I can't seem to get this through to you
The walls are closing in
I dare you to walk in my shoesCan't explain what's come over me, come over me
Can't explain why it's so hard for me, so hard to see your sideYour side
I won't see your sideCan't explain what's come over me, come over me
Can't explain why it's so hard for me, so hard to see your sideCan't explain what's come over me, come over me
Can't explain why it's so hard for me, so hard to see your sideI won't see your side
Your side
