

# It's A Short Walk From Heaven To Hell

## John Schneider

You were God's best creation  
But I didn't know what I had  
'Til it was too late  
When a man's gettin' older Seems the young girls get bolder  
And temptations  
Are sometimes too great  
You gave me all kinds of reasons to stay But like the fool that I am  
I still walked away And it's a short walk  
From heaven to hell  
A few steps from an angel  
That loved me so well When I left I shook hands  
With the devil himself  
And it's a short walk  
From heaven to hell She was young  
I was foolish  
But I needed that young thing  
To tell me I could still turn her on  
What I took for affection  
Was just your reflection  
And that's where The whole thing went wrong  
'Cause when the lovin' was over and done  
What I took for love  
She took for fun And it's a short walk  
From heaven to hell  
A few steps from an angel  
That loved me so well When I left I shook hands  
With the devil himself  
And it's a short walk  
From heaven to hell Yeah, it's a short walk from heaven to hell
