

# She's A Rejecter

## Of Montreal

My, my, you busted me  
Like a Robocop, strike me  
With your riding crop I'm forever going celibate tomorrow  
Tonight like success knows no shame Oh no, she's a rejecter  
I must protect myself There's the girl that left me bitter  
Want to pay some other girl  
To just walk up to her and hit her  
But I can't, I can't, I can't, I can't, I can't My, my, this demon heart  
Of the master's hand, crush me  
Why, I don't understand and I know you're not her  
'Cause the girl of my dreams is probably god, still I want you Oh no, she's a rejecter  
I must protect myself There's the girl that left me bitter  
Want to pay some other girl  
To just walk up to her and hit her  
But I can't, I can't, I can't, I can't, I can't I can't just hit her  
No, no, no, no, no  
I won't hit her  
I can't, I can't, I can't No, I can't, I can't, I can't  
No, no, I can't, I can't, I can't
