

# Never Surrender (2009 Remaster)

## Saxon

I was born on the back streets  
On the rotten side of town  
I never had me nothin'  
Just people puttin' me down Living on the darkside  
Across the railroad track  
Leaving wasn't easy  
But I'm never going back Never surrender  
When you're up against the world  
Never surrender  
Stand up fight them all Never surrender  
When you're up against the world  
Never surrender  
Stand up fight them all I'm sticking in the fast lane  
I never want to quit  
I'm taking all my chances  
I'm gonna take 'em quick I started at the bottom  
But I'm headed to the top  
Ain't nobody gonna hold me back  
'Cause I'm never gonna stop Never surrender  
When you're up against the world  
Never surrender  
Stand up fight them all Never surrender  
When you're up against the world  
Never surrender  
Stand up fight them all I was born on the back streets  
On the rotten side of town  
I never had me nothin'  
Just people puttin' me down I'm living on the darkside  
Across the railroad track  
Leaving wasn't easy  
But I'm never going back Never surrender  
When you're up against the world  
Never surrender  
Stand up fight them all  
[Repeat]
