

Inside of Me

Jason Morant

You are so fair and lovely
And so overwhelming
Yes You are You, You define mercy
By looking right down on me
Calling me pure You've torn away the nights
Opened up my eyes to the daylight Now I walk along side my Father
Without fear of what may come tomorrow
'Cause I know even in death I'm alive
'Cause You are inside of me
You, and all that You've done for me
One day soon I will see
All that You are You, You could've ignored me
Instead You took hold of me
And softened this heart You've torn away the nights
Opened up my eyes to the daylight Now I walk along side my Father
Without fear of what may come tomorrow
'Cause I know even in death I'm alive
'Cause You are inside of me, yeah Walking and talking with You, Lord
Now I walk along side my Father
Without fear of what may come tomorrow
'Cause I know, that I know, that I know
Even in death I'm alive, even in death I'm alive, even in death I'm alive
'Cause You are inside of me
