Deep Enough(fix)

Live

We hit the room, me and my crew and it was cool, until we bumped into you now it's been years, but there you were like a mustang, redlinin' every single gear with a man that danced like he was born in '49, but lost his groove back when jesus died I want to know, are those replacement hips? is that a swatch watch? do you know what time it is?Does he run it deep enough
To take you there?
Does he run it deep enough
Oh tell me baby
Does he run it deep enough?
Tell me, tell me
Does he run it deep enough?
Does he run it deep enough for you?We hit a couch, the place was packed with sweaty palms, sweaty thongs, and sweaty backs my mouth was dry, my brain cold high, the groove was right, so I decided to ignite your eyes met mine, you skirt began to rise, and so did I now you know that I took that prize in the middle of the club, in the middle of the club, in the middle of club now tell me!Does he run it deep enough
To take you there?
Does he run it deep enough
Oh tell me baby
Does he run it deep enough?
Tell me babyWhat did I do? what did I say? that gave you away tell me what didn't I do, what didn't I say that sent you away from meI wait for you to take my I wait for you to take my handDoes he run it deep enough
To take you there?
Does he run it deep enough
Oh tell me baby
Does he run it deep enough
Oh tell me, tell me
I'm just a jealous guy, I'm just a jealous guy, come on!
