

Denial

Dogstar

There is love here, can you feel it?
It's from me, it's for me and I stole it
If caught I'll deny it
I'll scream and I'll fight it Jesus loves me, can you feel it?
I've injured my life, hope He can heal it
If caught I'll deny it
I'll scream and I'll fight it There is love here, can you feel it?
It's from me, it's for me and I stole it
If caught I'll deny it
I'll scream and I'll fight it Jesus loves me, can you feel it?
I've injured your life, hope He can heal it?
If caught I'll deny it
I'll scream and I'll fight it
