Woyooooi...  
Woyoyoyoi.  
Woyoi, 4x  
Woyoyoyo,Yayoi...

We need a change...  
For a better living,  
We need a change ina this our nation  
For a better living 2x

Don't wanna tribalism  
No more discrimination  
No more nepotism. 2x

Now we need love  
We need peace  
And equal right.2x

Woyooooi...  
Woyoyoyoi...  
Woyoi 4x  
Woyoyoyoyayoi...

No more promise and fail,  
Like many others, who has come  
And gone 2x

Now we need a leader  
(And not a ruler),  
With the fear poof God.

For the fear of God  
Is the beginning  
Of wisdom. 2x

Woyooooi...  
Woyoyoyoi...  
(good man)  
Woyoi 4x  
Woyoyoyoyayoi...

Woyooooi...  
Woyoyoyoi.

We need a change...  
For a better living,  
We need a change in this our nation  
For a better living 2x

No more tribalism  
No more discrimination  
No more nepotism. 2x

Now we need love  
We need peace  
And equal right. 2x

No more promise and fail,  
Like many others, who has come  
And gone 2x

Now we need a leader  
(And not a ruler),  
With the fear of God.

For the fear of God  
Is the beginning  
Of wisdom. 2x

Woyooooi...  
Woyoyoyoi...  
Woyoi 4x  
Woyoyoyoyoyoi...  
Woyoi...Woyoi...Woyoyoyoi...Woyoyoyoi.
