

A Little Bit More (Single Version)

[Dr. Hook](#)

When your body's had enough of me
And I'm laying flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more Come on over here and lay by my side
I've got to be touchin' you
Let me rub your tired shoulders
The way I used to do Look into my eyes and give me that smile
The one that always turns me on
And let me take your hair down
'Cause we're stayin' up to greet the sun And when your body's had enough of me
And I'm laying flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more Got to say a few things that have been on my mind
And you know where my mind has been
I guess I've learned my lessons
And now is the time to begin So if you're feeling alright and you're ready for me
I know that I'm ready for you
We better get it on now
'Cause we've got our whole lives to live through And when your body's had enough of me
And I'm laying flat out on the floor
When you think I've loved you all I can
I'm gonna love you a little bit more And when your body's had enough of me
And I'm laying flat out on the floor
