

Can't Take It In

Imogen Heap

Can't close my eyes
They're wide awake
Every hair on my body
Has got a thing for this place
Oh, empty my heart
I've got to make room for this feeling
So much bigger than me
It couldn't be any more beautiful
I can't take it in
Weightless in love unraveling
For all that's to come
And all that's ever been
We're back to the board
With every shade under the sun
Let's make it a good one
It couldn't be any more beautiful
I can't take it in
