

Strong Love

Randall Bramblett

I got my feet on the rock
I got my hand raised up
I got my enemies in my head
But I keep 'em tied down y'all I been up all evening
And I got it figured out
I don't need no sleeping
'Cause I'm livin' on strong love Livin' on strong love
Got no one to blame
Even the heavens above
I'm an independent man
And I'm free to love I been lookin' for you baby
Yeah, lookin' high and low
Come on out here and take my hand
And we'll be livin' on strong love
Livin' on strong love Got no bootstraps to be pullin' on
Got no coattails to be hangin' on
But I got the combination baby
To unlock every door Come over to my house
Why don't you sit right down
Don't have to worry about a thing
'Cause we'll be livin' on strong love
Livin' on strong love
