Heart To Heart

Aldo Nova

There's a girl in the street
You should see the tears in her eyes
'Cause she weeps
For a man who told her liesAnd the man that she loved
Left her for somebody new
And the girl, she dreams
That if only they could've seenHeart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lie
One day, he's gonna payThere's a man down the street
You can't see the pain in his heart
And he weeps
For a love that he has lostAnd the man left a love
To go and find somebody new
Like the girl in his dreams
Now if only they could've seenHeart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lie
One day she's gonna pay
One day she's gonna payHeart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lieHeart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lieOne day they're gonna pay
One day they're gonna pay
One day they're gonna pay
One day you're gonna pay
