

Heart To Heart

Aldo Nova

There's a girl in the street
You should see the tears in her eyes
'Cause she weeps
For a man who told her lies And the man that she loved
Left her for somebody new
And the girl, she dreams
That if only they could've seen Heart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lie
One day, he's gonna pay There's a man down the street
You can't see the pain in his heart
And he weeps
For a love that he has lost And the man left a love
To go and find somebody new
Like the girl in his dreams
Now if only they could've seen Heart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lie
One day she's gonna pay
One day she's gonna pay Heart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lie Heart to heart
Oh, eye to eye
Love is a lie
Heart to heart
Oh, eye to eye
Love is a lie One day they're gonna pay
One day they're gonna pay
One day they're gonna pay
One day you're gonna pay
