Sun of Miracles

Deusonus

Oh, Sun of Miracles
How I long to see you
On the distant land
Where the light
Doesn't shine anymore

Oh, Captain of my Soul,
For so long I've sailed alone
In the sea, in the sea, in the sea...

So, will you take me as I am?
Will you save me?
Will you mend my open wounds?
Will you heal me?...

I've been accounted for justice,
And i've been sanctified by grace
Ohhh...

Your love
Has showed me the way
And I will never be the same
I will never be the same
No, oh, ohh...

You erased my past
And gave me a new name
(You erased my past)
So, I will live for You
Because You carried my shame...

Who am I?, who am I?, ohh...
That you should die
To give me life
That never ends?

Ohh...
Your love, your love
Its never ending name
(Its never ending name)

Ohh...
Your love, your love

You erased my past
And gave me a new name
You erased my past
And gave a new name...

Who am I that I may behold
The work of your hand?
That you should die
To give me life
That never ends?

Ohh...
Your love, your love
Its never ending name

Ohh...
Your love, your love, your love...
Its never ending name...

I've never known
A love like this, before...
I've never known,
I've never known a love like this
Before, before, before, before...
Ahhhh...
