It Doesn't Matter Anymore

Eva Cassidy

There you go and baby, here am I
Well, you left me here so I could sit and cry
Golly gee, what have you done to me?
But I guess it doesn't matter any moreDo you remember baby, last September
How you held me tight, each and every night
Oh, baby, how you drove me crazy
Well, I guess it doesn't matter any moreThere ain't no use in me a-cryin'
'Cause I've done everything and I'm sick of tryin'
I've thrown away my nights
Wasted all my days over youNow you go your way, baby and I'll go mine
Now and forever till the end of time
And I'll find somebody new and baby, we'll say we're through
And you won't matter anymoreThere ain't no use in me a-cryin'
'Cause I've done everything and now I'm sick of tryin'
I've thrown away my nights
Wasted all my days over youNow you go your way, baby and I'll go mine
Now and forever till the end of time
And I'll find somebody new and baby, we'll say we're throughAnd you won't matter anymore
And you won't matter anymore
And you won't matter anymore
And you won't matter anymore
