

Drugs Or Me (Styrofoam Remix)

Jimmy Eat World

Stay with me
You're the one that I need
You make the hardest things
Seem easy
Keep my heart
Somewhere drugs don't go
Where the sunshine slows
Always keep me close If only you could see
The stranger next to me
You promise, you promise, that you're done
But I can't tell you from the drugs Don't let go
We'll dig a great big hole
Down an endless hole
We'll both go
You're so blind
You can't save me this time
Hope comes from inside
And I feel so low tonight If only you could see
The stranger next to me
You promise, you promise, that you're done
But I can't tell you from the drugs I wish that you could see
This face in front of me
You're sorry, you swear it, you're done
But I can't tell you from the drugs (Take me)
I need your hands
(So far)
To pull me up
Take the wheel
(Take me)
Out from me
(So far)
Out from me If only you could see
(I need your hands)
The stranger next to me
(To pull me up)
You promise, you promise, that you're done
(Take the wheel out from me)
But I can't tell you from the drugs
(Take the wheel out from me) I wish that you could see

(I need your hands)
This face in front of me
(To pull me up)
You're sorry, you swear it, you're done
(Take the wheel out from me)
But I can't tell you from the drugs Keep my heart
Somewhere drugs don't go
Where the sunshine slows
Always keep me close
