

# You Tell Me (Duet With Johnny Reid)

Terri Clark

You tell me cause I don't know  
How we are or where we go from here  
I can't read your mind  
Is everything okay  
Oh don't ask me, I don't know what to say  
You tell me What comes next  
What I can and can't expect from you  
Is there somethin' we can mend  
What will the story be  
Oh you've got all the answers that I need Do we wave a flag and say it's over  
Do we honor all the vows we made  
I love the way we were  
Tomorrow what will we be  
You tell me Cause I cant play  
This guessing game where love can stay or go  
It changes with the wind  
What our hearts will do Whatever way it blows is up to you  
Do we wave a flag and say it's over  
Do we honor all the vows we made  
I love the way we were  
Tomorrow what will we be  
You tell me Do we wave a flag and say it's over  
Do we honor all the vows we made  
I love the way we were  
Tomorrow what will we be  
You tell me  
You tell me
