

Let's Go Celebrate

Lakisha Jones

Kisha, Lakisha come on now listen
Today I decided to go and get excited
I been on the grind and
Time for me to celebrate all night, yeah
Got to put my MAC on
Live fresh with my hair done
Wear the dress you know the black one
Gonna party 'til the dawn, yeah
I feel like tonight's the night
DJ spin my song all night
Ladies steppin' out tonight
'Cause tonight is the night
And let's go celebrate
Oh, oh, I'm feelin' myself, baby
Oh, oh, love me, love me
Oh, oh, 'cause tonight is the night
And I'm gon' celebrate
My life has been a blessin'
No need for me stressin'
My attitude is changin'
I'll never be the same again, oh
As soon as I walked in, yeah
Ooh, all eyes are open
I guess 'cause I'm show stoppin'
While they starin', I'll be dancin' all night, yeah, yeah
I came to have a good time with you
Ooh, I appreciate the little things you do
Ooh, throw your hands up in the air
Ooh, act like you don't care, you don't care
I feel like tonight's the night
DJ spin my song all night
Ladies steppin' out tonight
'Cause tonight is the night
And let's go celebrate
Oh, oh, I'm feelin' myself, baby
Oh, oh
Oh, oh, 'cause tonight is the night
I feel like tonight's the night
DJ spin my song all night
Ladies steppin' out tonight
'Cause tonight is the night
And let's go celebrate
Oh, oh, I'm feelin' myself, baby
Oh, oh, love me, love me
Oh, oh
