Edge of the Blade

Sinner

Laughin' and cryin', when a part of you is dyin'
And you won't not coming back
Try to hide my fascination, livin' up your expectations
Ooh, life was toughI made up my mind, run to the outside, breathe a little lifeMama, do you hear me? Your son just needs a prayer
Mama, do you hear me? And I know that you will care
And my life seems to fade, the edge of the bladeMom, I think I'm going insane, I won't end up in these chains
With my back against the wall
When I touched the holy ground, there's a call I'm just hellbound
But I'm waiting for my fallA certain situation, for my bad reputation, fighting for damnationMama, do you hear me? Your son just needs a prayer
Mama, do you hear me? And I know that you will care
And my life seems to fade, the edge of the bladeLaughin' and cryin', when a part of you is dyin'
And you won't not coming back
Will try to hide my fascination, livin' up your expectations
Ooh, life was toughI'm livin' in sin, no way I will win, make your head spinMama, do you hear me? Your son just needs a prayer
Mama, do you hear me? And I know that you will care
And my life seems to fade, the edge of the bladeMama, do you hear me? Your son just needs a prayer
Mama, do you hear me? And I know that you will care
And my life seems to fade, the edge of the bladeMama, do you hear me? Mama, do you hear me?
And you'll go down, down, down, down, down
