Say It

ABC

Oh, oh, oh, oh, yeah
I was lost in paradise, I was washed ashore
I was praying someone would walk right through that door
I was hung in effigy, I was flayed alive
I was lost and lonely and struggling to surviveSay that you need me, say that you care
Say you believe in me
(Say it, say it, say it)
And I'll be there, oh yeahI was baked Alaska, burning deep inside
I was wandering 'round this earth, trying to find a place to hide
I was Mr. Heartache, I was ripped and torn
I was hardly living until you came alongSay that you need me, say that you care
Say you believe in me
(Say it, say it, say it)
And I'll be there, oh yeahCome on and say it
Whisper in my ear, come on, come onA ripple of uncertainty became a tide of change
That wave became an ocean, now you're out of range
Seen heaven in a rainbow, many splendid things
None compare, none come close, you're my everythingSay that you need me, say that you care
Say you believe in me
(Say it, mean it, say it and mean it)
(Say it and mean it, say it)
And I'll be there, oh yeah
