

# Mad Sexy Cool

## Babyface

Baby, oh yeah  
Baby, oh yeah You don't ever bring no drama to the game  
And my drama don't be scaring you away  
You don't ever talk to much, exactly just enough  
You know how and when and where and what to say It ain't like I gotta tell you, you're so fine  
You been gettin' compliments since you was nine  
It's like your perfect, a diamond in the rough  
I knows you give me nothin' else but love You are such a mad, sexy, cool girl  
How does someone turn into you girl  
How do you explain  
What you do, what you say, how you be, how you play, how you love Everyday, how you're constantly the same  
How you give, never hate and you don't ever change  
Be consistently that way  
You're a mad, sexy, cool girl, and I love you that way baby You be ruling with a certain shade of cool  
I don't know no body half as fresh as you  
I be checkin' you're behavior, oh baby you got so much flavor  
Sometimes I wanna call you juicy fruit It ain't like I gotta tell you, you're a star  
You be shining and be sparkling in the dark  
Girl, you so perfect, you my diamond in the rough  
I know you give me nothin' else but love You are such a mad, sexy, cool girl  
How does someone turn into you girl  
How do you explain  
What you do, what you say, how you be, how you play, how you love Everyday, how you're constantly the same  
How you give, never hate and you don't ever change  
Be consistently that way  
You're a mad, sexy, cool girl, and I love you the same Baby, how does someone, so beautiful  
So approachable, none so adorable  
Baby, you're my kinda wonderful  
My dream come true You are such a mad, sexy, cool girl  
How does someone turn into you girl  
How do you explain  
What you do, what you say, how you be, how you play, how you love Everyday, how you're constantly the same  
How you give, never hate and you don't ever change  
Be consistently that way  
You're a mad, sexy, cool girl You are such a mad, sexy, cool girl  
How does someone turn into you girl  
How do you explain  
What you do, what you say, how you be, how you play, how you love Everyday, how you're constantly the same  
How you give, never hate and you don't ever change

Be consistently that way  
You're a mad, sexy, cool girlBaby, how does someone turn into you girl  
How do you explain  
What you do, how you be, how you play, how you love  
Everyday, how you're constantly the same
