

Double Trouble

[Elvis Presley](#)

Some guys fall in love with one girl, I gotta fall for two
There's just so much loving that one heart's supposed to do
So I go around with my heart dragging on the ground
Dogging me around, I'm the sorriest sight in town[Chorus]

I got double trouble, I got double trouble
I got double trouble twice as much as anybody else oh yeah! I guess there's gotta be two dark clouds hanging
over me

My future looks a bumpy as a matchbox on the sea
Every time I think that I have finally got it made
Some losing cards are played, I just can't make the grade[Chorus: x2]
